god the holy spirit vs the sin nature is a ceaseless inner conflict each christian by his own volition determines who controls his life at any given moment the sin nature is inherent at birth as long as we live we retain this genetic distorter of our lives with the result that we cannot fulfill the plan of god yet god s marvelous plan can be fulfilled only the invisible ministry of god the holy spirit can execute the christian way of life this book tells the dramatic story of elijah in 1 kings 19 after a powerful spiritual victory he flees in terror because of an empty threat against his life the spiritual hero becomes totally ineffective this old testament prophet vividly illustrates a principle that applies to every new testament believer there is a vast difference between living under the control of the sin nature and leading a life of spiritual dynamics under the control of the holy spirit

times are changing and we must stay in god s timing to prosper in a world where the god of this age is attempting to mold you into the blueprint of the day and cause you to look like the world around you god has called his people to have transformed minds and to be linked to the head not to bring up the rear in producing the changes around us when we are at the right place at the right time we can break out of confusing mind altering powers that war against god and all the blessings he is ready to pour upon us the author is writing this book to help us understand how to enter a new level of freedom and victory this book is like a war manual that will help you stay free from the enemy s vexing power as you journey through life this installment of the time trilogy will teach you how to war in time your battles are now god reconciles our past so that our now opens up to our future your defeats in a former season will now become the victories and triumphs for your future

leading new testament scholar craig keener is widely respected for his thorough research sound judgments and knowledge of ancient sources his four volume magnum opus on acts has received high praise from all quarters this commentary on paul s letter to the galatians features keener s meticulous and comprehensive research and offers a wealth of fresh insights it will benefit students pastors and church leaders alike

the whole armor of god that worked so effectively for these early believers is the very same set of spiritual armor worn by the church of jesus christ today just as these early christians were fully equipped with the whole armor of god for the troubles of their day we also have the whole armor of god to live victoriously for jesus

a book that introduces you to the power by which you can defeat spirits it is a practical guide on casting out demons breaking spells curses and spirits that haunt places

between horror and hope is a study of paul s metaphorical language of death in romans 6 1 11 the scholarly debate focuses on two main issues the origin of the commentatio mortis tradition and its development dr sabou argues that the origin of this terminology is original to paul that it was the apostle s own insight into the meaning of christ s death a death to sin and his understanding of the identity of christ in his death as the anointed davidic king which guided him to create this metaphor of dying to sin as a way of describing the relationship of the believer with sin on the development of this language of death the author argues that this language conveys two aspects horror and hope the first is discussed in the context of crucifixion in which paul explains the believer s death to sin by presenting christ s death as the death of the anointed davidic king who won the victory over sin and death by rising from the dead paul affirms that believers are coalesced with what was proclaimed about christ s death and resurrection thereby allowing him to assert that the releasing of the body from the power of sin is a result of crucifixion this crucifixion is the condemnation inflicted on our past lives in the age inaugurated by adam s sin and this is such a horrible event that believers have to stay

away from sin since sin leads to such punishment in contrast hope is presented in the context of burial the believers burial with christ points to the fact that they are part of christ s family and this is accomplished by the overwhelming action of god by which he pushes us toward the event of christ s death an act pictured in baptism it is this burial with christ that allows believers to share with christ in newness of life
